

The Forest Challenge is an outdoor event, ideal for groups of 6 - 80, suitable for all ages and abilities.

It is scenario-based game, in which all teams attend an initial briefing and receive a photographic aerial map and GPS or compass for navigation. Teams then navigate to a variety of exciting and innovative challenge zones to arrive by a specified time.

The Forest challenge is a bespoke event and can be action packed and fast paced or designed to be taken at a more leisurely and relaxed pace. With a range of problem solving and physical challenges we can also develop this activity to suit your teams profile and choice of location!

With numerous, beautiful Forest sites throughout the UK, we can guarantee a suitable location close to you.

This event is ideal for a team that seeks a real challenge in the great outdoors!
