We will certainly be looking at booking something teambuilding in the summertime and will definitely be giving your company a call.

On behalf of myself and my colleagues we'd like to thank you for organising and running the Treasure Hunt and Rib ride at our team event last week. The feedback we have received from our colleagues has been very positive and it appears that everyone enjoyed the event.

The Treasure Hunt worked well for us as an activity that promoted Team Working and from our (Cardiff team) point of view also showed our colleagues a little of Cardiff Bay. The questions in the Treasure Hunt were varied and challenging even for those of us with local knowledge and this helped keep the interest right through to the end of the event.

Martin Hawke – British Telecom

Hi Neil, thanks for the photo's.. they are fab! Feedback from both events has been excellent...

Your Company were professional but kept our events fun! The murder mystery flowed well, it was well organised and having the photographer there was a really nice touch....- well done, fantastic evening thoroughly enjoyed by all. The raft building was different to anything we'd done before.. first thought was, 'a cold November morning is not the right time to be doing this!' however after we had donned our wet suits, we all felt instantly warmer. Everyone had a great time, the instructors were very accommodating, pretty much letting us get on with it, but we all felt quite safe having their presence in the water. A big thank you to Neil and the team!

Hi Neil just wanted to pass on our thanks, especially to Steve for his support last week.

Steve did a sterling job in facilitating the event and keeping the teams on track and am sure he was entertained by the competitiveness by some of the individuals taking part!!

Steve certainly made the event enjoyable and the sessions were fun to take part in and highlighted some good learning's from our side.

Thanks again.

Great to work with you today, will be in touch for our next event.

“Blue Ocean did a great job of facilitating a team activity for 60 of us. They struck a good balance between being challenging and having a sense of fun. Whilst many of our team are fit and up for physical challenges, some of were wary of the idea of outdoor activities – however, even those who had felt unsure were able to participate fully as the activities were designed in an inclusive way.”

Jane Burkitt- Supply Chain Planning Director

I just want to say a massive Thank you to Neil and the team. From my very 1st enquiry email to the Team Building activity day, every contact was professional and helpful. Neil listened to what my objectives were for the day, and planned a tailored morning that met them all. The option of having a more ‘adventurous route’ went down well with the team – they loved jumping into rivers, climbing rocks and caving! To say we had a ‘laugh’ is an understatement – we laughed non-stop all morning. Staff worked well together and pushed themselves out of their comfort zones. The team forest challenge (although slightly less challenging than the gorge scrambling) was also enjoyed by all.

I can’t recommend Blue ocean activities enough.... We’ll definitely be using them again.

Thanks Again

I just wanted to say thank you to you and your staff for a fantastic evening of family fortunes. All of the guests involved had a fantastic evening and the hosting of the evening was flawless throughout. The whole set up of the night looked professional and it ran smoothly with no 'hiccups'.

We will keep Blue Ocean in mind for all future events of this nature and thank you again.

Yours aye,

Andy
